

V^oR
THE VICTORIA ROOM
BAR RESTAURANT

Tuesday 14th November 2006

To Whom It May Concern:

The Victoria Room and Wordstorm worked together for 6 months.

I would thoroughly recommend Wordstorm for any PR project (ongoing or just a one-off) and will definitely engage their services again in the future.

During their contract Wordstorm achieved PR and exposure for The Victoria Room over and above our expectations.

The direct and very immediate result was a pronounced increase in patronage as well as general awareness of our business.

The Wordstorm team is professional, creative, efficient and an absolute pleasure to work with.

Please contact me if you require further details.

Best regards
